

Supply List 2023-24

We ask each student for a \$35 supply fee; families can pay on myschoolbucks on the Newcastle Public Schools website or at the ECC front office on Thursday, July 20th or Tuesday, July 25th. We can accept cash or checks payable to Newcastle ECC. The teachers are able to buy supplies in bulk and get great deals. Then, all students have the same supplies that get replenished in the classroom whenever needed. Teachers also purchase supplies needed for projects and crafts. It's a fantastic way to not have to spend a fortune finding supplies and fighting the crowds!
