#### *Message from the Principal:*

I am pleased to bring you the students' performance outcome for Newcastle Middle School's state tests. Our goal at NMS is to show continuous improvement each year. The Faculty and Staff of NMS believe that learning is a cooperative effort involving students, faculty, and parents. Believing that every child can learn, we pledge to provide an appropriate learning environment to encourage the academic, physical, emotional, creative, and social growth of each unique middle school student. We will offer each student the opportunity to acquire mastery of basic skills, habits, and attitudes associated with responsible citizenship. We will continually work toward the creation of a school environment which provides high expectations and success for all who work within the walls of NMS. We look forward to the future and the upcoming school year.

Best Wishes
